## Graduate Veterinarian

We are currently seeking expressions of interest from veterinary students who will be completing their studies late 2022/early 2023 or who have completed their studies in the last 12 months.

This position will provide you a safe environment to further develop your practical skills and learn how to apply the knowledge you have acquired throughout your studies. The position will provide you a staged development plan to ensure you can confidently commence your veterinary career starting with vaccination consultations and over time assuming responsibility for more complex case management. You will be provided with a surgical mentor and you will be included in a regular surgical rotation. The hospital has a vast range of learning and reference material that you can readily access to support your learning. This includes internally developed protocols but also externally developed material and resources.

As a new graduate you will not be initially rostered to the weekend shift. You will also enjoy an initial roster that always provide you with experienced veterinary oversight.

A competitive salary will be negotiated with the successful candidate. All packages will include Vet Board registration, Radiation Licensing, Plumbs Subscription and comprehensive medical indemnity insurance.

If you would like to discuss this opportunity please email either Brian or Kelly to organise a time for a chat.

- [Kelly.robson@brightonvethospital.com.au](mailto:Kelly.robson@brightonvethospital.com.au)

Alternatively please email a cover letter and your CV to [recruitment@brightonvethospital.com.au](mailto:recruitment@brightonvethospital.com.au)

## About us

Brighton Veterinary Hospital is an accredited and purpose built veterinary hospital. The practice consists of three consulting rooms (soon to be four), two triage/surgery tables, a dedicated surgery and a radiology suite.

The hospital was opened in 1978 and has developed strong community connections with local families. The clients are very supportive of our team and the team feel very privileged to work our engaged and respectful clients. This positively contributes to the mental health and well-being of our team.

The practice is committed to ongoing investment in equipment and is currently furnished with a DR x-ray machine, video and rigid endoscopy equipment, iM3 dental X-ray unit, De Souter and Stryker orthopaedic drill sets, and in-house pathology. In addition, the hospital has recently

invested in a Mindray Veta 5 anaesthetic machine with built-in ventilator and a Mindray EPM 12 patient monitor with capnography.

The hospital is open 6 days a week. Our operating hours are 8am-7.30pm Monday-Thursday, 8am-7pm on Fridays and 8am -1pm on Saturdays. We are closed on Sundays and public holidays. There is no on call requirement.

Although Adelaide is best known for its churches, it is also one of the most affordable cities to live in and offers a great lifestyle with beaches, wineries and fabulous restaurants. Brighton is an affluent beachside suburb located 20kms from the city centre. If you would like to discuss the opportunity for relocation, we would love to show you around Adelaide!
