# DON'T LET PARASITES BECOME PART OF THE FAMILY

**Moxiclear®**  
Give your best friend the all clear

Sometimes our best mates come with a few mates of their own. So give them the treatment they deserve. Moxiclear provides fast acting, comprehensive and affordable parasite protection for your pets.

# WHY CHOOSE MOXICLEAR?

**Fast acting, effective & comprehensive parasite protection\***

**Easy to use, water-resistant monthly spot on\*\***

**Quality formulation for better value**

**Provides an affordable solution to year-round protection**

**Enables improved profit for your clinic**

\*Moxiclear is for fleas, heartworm and ear mites in dogs and cats, and sarcoptes mites in dogs. Treats and controls the major gastrointestinal nematodes of dogs and cats but does not control tapeworm.  
\*\*Water resistant after 2 hours

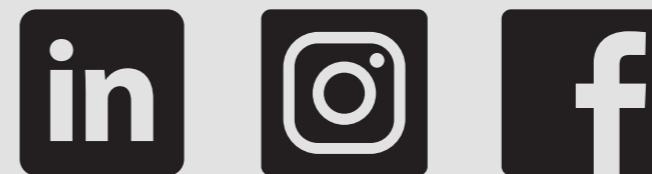

# ADVERTISING CAMPAIGN

NOVEMBER 2022 - JANUARY 2023

Moxiclear's new advertising campaign, running over November 2022 - January 2023, will help you drive awareness amongst pet owners, improve uptake of parasiticides and help pets receive affordable year round parasite protection.
